

ALLISON FIRST. *ALLISON ALWAYS.*

Your Allison Automatic has served you well, but now you need a replacement.
Exchange your Allison Automatic for a Genuine Allison ReTran®.

Genuine Allison ReTran® automatic transmissions
are built to deliver a longer life span and a higher
performance standard, at a consistent lower overall
cost. All the reasons you specified Allison in the first place.

IT'S NOT JUST WHAT WE DO, IT'S HOW WE DO IT

Genuine Allison ReTran® automatic transmissions are meticulously remanufactured to precise factory tolerances with original and new, improved Allison parts. Factory-trained technicians using Allison-approved technologies and manufacturing processes literally remake a genuine Allison transmission from the ground up.

Improvement Never Stops

Allison transmissions that are still under warranty are put through an extensive examination procedure to provide valuable feedback to Allison ReTran® manufacturing lines.

No Surprise Costs

Many transmission rebuilders won't give you a cost or credit until the transmission is completely torn down. It's then that they discover hidden costs that increase the price of your rebuild. Allison ReTran® clearly defines visual criteria to expedite the core credit process for you. You know what your Genuine Allison ReTran® is going to cost.

Quality Assurance

From the first part to the final bolt, our remanufacturing process assures quality control unparalleled in the remanufacturing industry. Every Allison ReTran® automatic transmission that comes off our line has the quality components and precision assembly that will yield Allison's legendary performance.

Ready On Demand

Due to the growing popularity of Allison ReTran® transmissions, there are multiple Allison ReTran® facilities and all are TS 16949 and ISO 14001 certified. If you need an AT, MT, B-Series, 1000, 2000, 3000 or 4000 Series Allison ReTran®, we'll have it available for you, right down to the exact electronic configuration including Allison Fourth Generation Electronic Controls. You can put your vehicle back in service faster, with true Allison Automatic performance.

Worldwide Support

Genuine Allison ReTran® transmissions come with a two-year, unlimited mileage worldwide warranty* and are supported by the same service network that stands behind every new Allison Automatic. For a listing of authorized Allison Service Centers near you, go to www.allisontransmission.com.

*Six-month, unlimited mileage warranty for industrial/construction machinery.

ALLISON FIRST. ALLISON ALWAYS.
